

HOME-COOKED LUNCH AGREEMENT

IMPORTANT: The school does not allow any outside caterer or restaurant to deliver lunches to our campus. If the parents or students prefer food from outside caterers or restaurants, then they must leave the campus and have to be accompanied by their parents. There is a separate agreement for this.

This Agreement is made between –

PANYATHIP INTERNATIONAL SCHOOL (PIS)

and

Name of Parent / Guardian

Student's Name

who is studying in Year _____ for the _____ Academic Year.

I, the parent/guardian request that my child is allowed to bring home-cooked food for lunch at school. (Please provide a letter explaining why you do not want your child to have a school lunch and what provisions you will make).

I have read and understood the following conditions –

1. **IMPORTANT:** Only home-cooked food can be delivered to the campus or food that reflects a specific diet whereby the student is not able to eat the kind of food that is served on the campus.
2. The food is properly packed in recycled containers.
3. The food/lunch is delivered on time.
4. These students are allocated a designated area.
5. After eating, the student must arrange to have the recycled containers taken home.
6. Lower Primary students (Year 1 to 3) must be accompanied by a parent or guardian when eating their lunch.

The school and parent/guardian need to sign this Agreement. A copy will be kept by the school, and shall be effective from the date of signing (another copy will be given to the parents).

Signed at Panyathip International School on : _____
